

Please do not allow LPFM stations to overpower the FM translators. This may cause K-love to go off the air in my area & several other areas. K-love is the only radio station I listen due to the fact that it is Christian & does not use foul language or crude jokes. I appreciate being able to travel on find K-love on stations wherever I go throughout the country. This is a great thing for all others in the USA that have similiar values to myself. K-love is a light to our country in the fact that their sole mission is to build others up & encourage them. Please do not expand the LPFM stations in a way that K-love will no longer be heard nationwide.

Thank you,

Nicole Cummins
